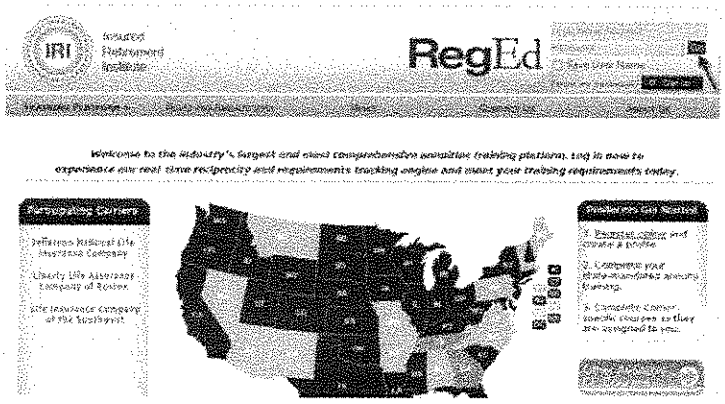
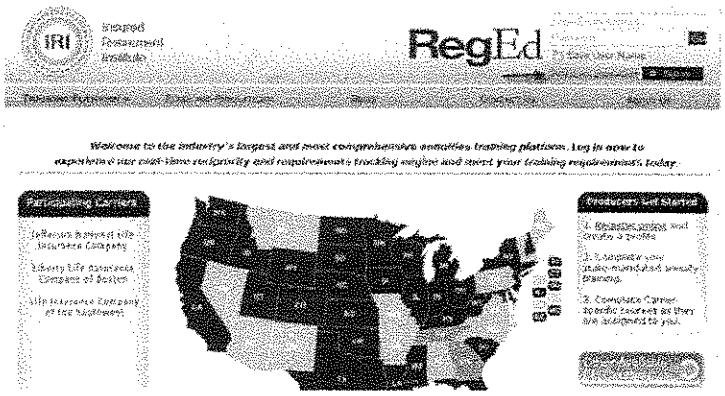
RegEd Annuity Training Platform
https://secure.reged.com/TrainingPlatform/

Logging onto the Annuity Training Platform:

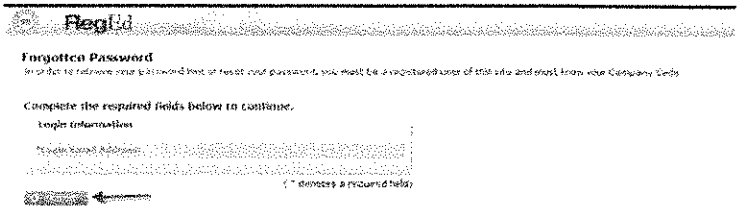
- Access the RegEd Annuity Training Platform.
- Log into the Annuity Training Platform by entering your username and password in the upper right-hand corner; then click 'Go'.



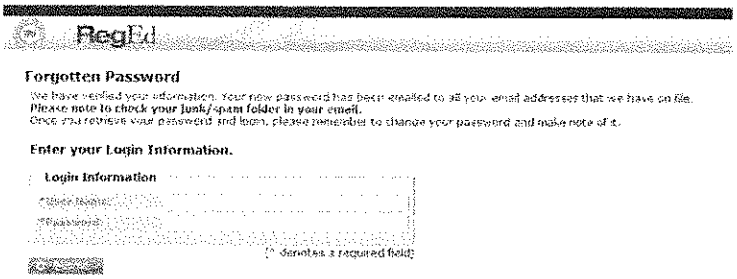
- If you have forgotten your password, click the 'Forgot my password' link located under the log-in section.



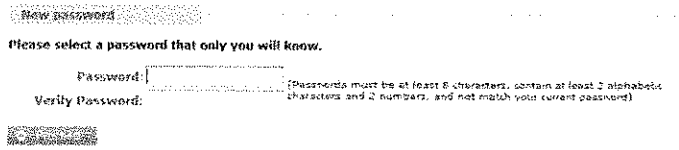
- Fill in the required information, click Submit and then answer the password hint you previously created. A temporary password will be emailed to the email address on file.



- Log-in with your username and the temporary password that was sent to you via email.

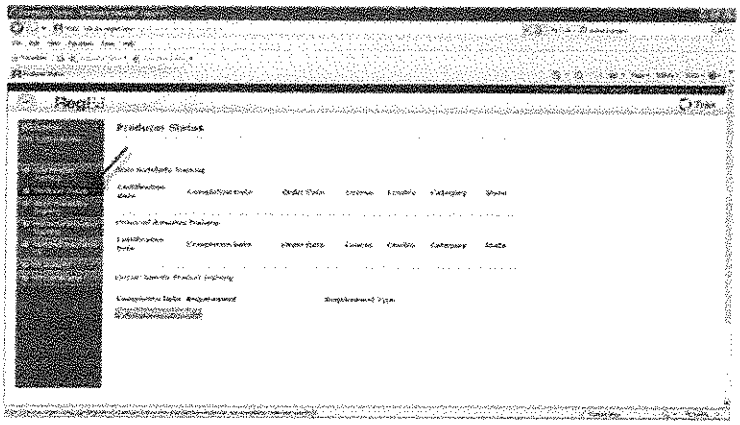


- Create a new password and click 'Proceed'.



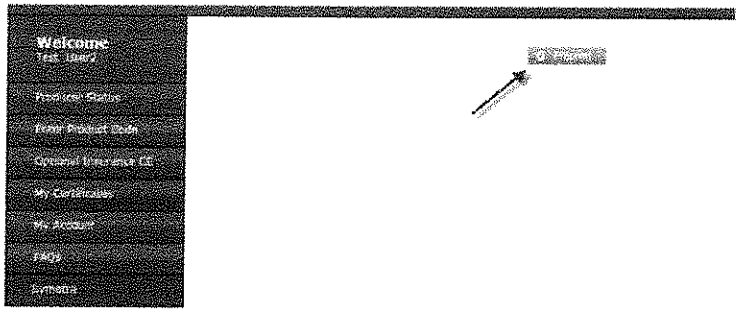
Access the Training:

- To view what carrier-specific requirements have been assigned or to see completion history, click the "Producer Status" button located on the left hand side. As shown at right, this will display your State Suitability course completions and currently assigned carrier-specific product training.

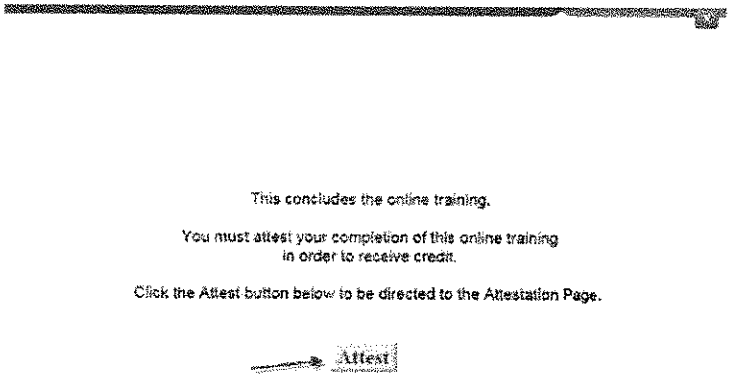


- Locate Symetra from the list of Carrier-Specific Product Training and click 'Go To Requirement' to begin the presentation.

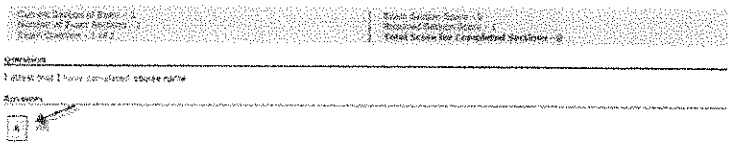
- Click 'Proceed' on the next screen to begin the presentation.



- At the conclusion of the product training, click 'Attest.'



- On the exam page, click 'A' if you agree that you have completed the course.



- Then click 'Continue' to finalize the course completion.
- Once the course has been completed, it will no longer show in the list of Symetra Carrier-Specific Product Training.
