

Authorization for the release of Personal Health Information

Name of Proposed Insured (please print)

Date of Birth

I authorize any physician, health care professional, hospital, clinic, laboratory, pharmacy, medical facility, health care provider, health plan, insurer, and/or any other entity subject to the Health Insurance Portability and Accountability Act of 1996 (HIPAA) that has provided treatment, service, or coverage to me within the past 10 years to disclose my entire medical record to any one (or all) of The Specific Solutions Group of companies ("The Company"), its agents, employees, insurance support organizations, insurers, reinsurers, and their representatives. This includes information concerning the diagnosis or treatment of Human immunodeficiency Virus (HIV) infection and sexually transmitted diseases. This also includes information on the diagnosis and treatment of mental illness (excluding psychotherapy notes as defined under HIPAA) and the use of alcohol, drugs, and tobacco.

I understand my personal health information may be used or disclosed as set forth by this authorization. Protected health information includes information created or received by The Company. Protected health information also includes but is not limited to: hospital records, treatment records/office notes, alcohol or drug abuse treatment, consultation reports, workers' compensation information, diagnosis, prescriptions, test results, vocational testing/counseling information, benefit information, claims information, demographic information, and claims payment information.

By my signature, I acknowledge that any agreements I have made to restrict my protected health information do not apply to this authorization and I instruct any physician, health care professional, hospital, clinic, medical facility, other health care provider or health plan, insurer, or other entity subject to HIPAA to release and disclose my medical record without restriction. I understand that my personal information, including my protected health information disclosed under this authorization, will be incorporated into and made a part of any life and/or disability insurance policy(s) issued in connection with the application(s) for insurance that I have submitted to the Company. I further understand that the policy(s) will be delivered to the policy owner, which may be my employer or other party. The information included and forming a part of such policy(s), including my protected health information, may be disclosed to the policy owner.

I understand that unless prohibited by state and/or federal law the protected health information is to be disclosed under this authorization so that The Company may; 1) underwrite my application for coverage, make eligibility, risk rating, policy issuance and enrollment determinations; 2) obtain reinsurance offers; and 3) conduct other legally permissible activities that relate to any coverage I have, have applied for, or may in the future apply for through The Company.

The following groups of persons employed or working for The Company may use my personal health information which is described above: employees of the underwriting, administration, and any other personnel of The Company, and its authorized representatives, and business associates that perform functions or services that pertain to any coverage I have, have applied for, or may in the future apply for with The Company.

I understand any information disclosed under this authorization may no longer be covered by the privacy provisions of HIPAA and may be subject to redisclosure.

This authorization shall remain in force for 24 months following the date of my signature below, and a copy of this authorization is as valid as the original. I understand that I have the right to revoke this authorization at any time. The request for revocation must be in writing and sent to: The Specific Solutions Group, 475 International Dr., Williamsville, NY 14221. I understand that a revocation is not effective if The Company has relied on the protected health information disclosed to it. Such revocation shall not apply to any use or disclosure of my protected health information specifically allowed without authorization by HIPAA and no action relating to this authorization shall be construed as creating any restriction on the uses that HIPAA allows without my authorization.

I understand that if I refuse to sign this authorization to release my complete medical record, The Company may not be able to process my application for coverage, or if coverage has been issued, may not be able to make any such benefit payments. Upon receipt of your signed authorization, a copy will be provided to you. Any alteration of this form will not be accepted.
